

The ViCPEAC Universe

Welcome to the ICPEAC Summer House, our main conference location.

A spacious and luxury lobby awaits you upon entering our beach resort, inviting you to hang out with friends and colleagues in several cozy spots. Air-conditioning is provided throughout the virtual building (real-life experience may differ). The entrance to the poster lobby is located on left to our help desk. The help desk provides further information on your ICPEAC conference and its surroundings.

From the poster lobby you have access to the individual poster rooms. Each room consists of approximately 40 poster-contributions. A list of which poster is presented in the room is located at its entrance. The overall themes of the poster rooms are, A-D: Heavy, E-H: Leptons and I-O: Photons.

A large seminar room is located at the far end of the poster lobby. Our Q&A sessions will be held here.

We have not spared any costs and provide latest space-age technology in order to arrange your stay as comfortable as possible. We installed transporter pods on the lobby's gallery (first floor) teleporting you directly to the poster rooms as indicated.

Smoking is not permitted inside the ICPEAC summerhouse. Thank you very much for your understanding. Please note, due to technical reasons, all lavatories are only virtual. We apologize for this inconvenience.

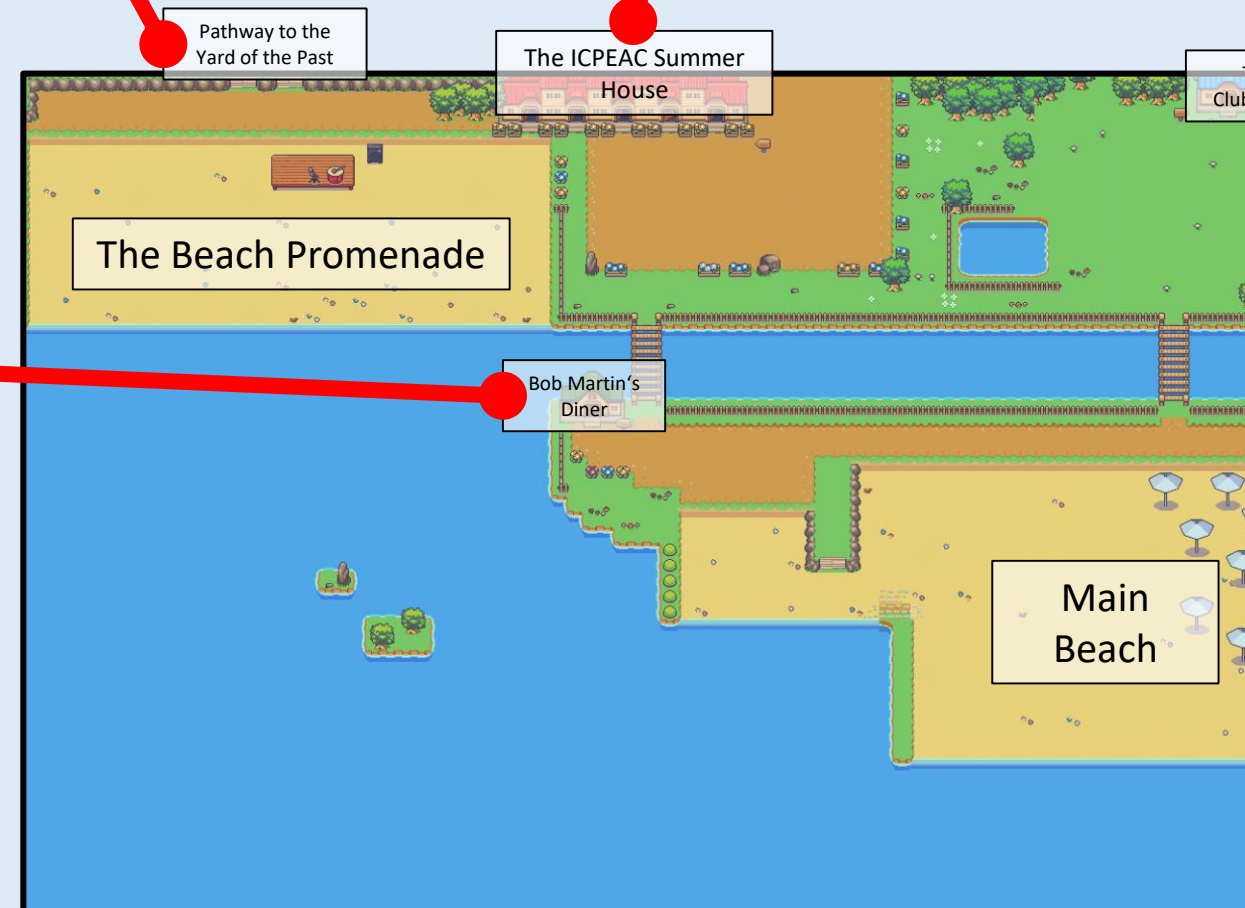

The yard of the past is currently closed for re-innovation. Some teenagers have damaged the barrier to the construction site, please be very careful in this area - in particular at nights. Parents are liable for their children.

Bob Martin's Diner is a family-friendly place providing drinks and food* at a reasonable price. Come in and meet friends, chat and play a few games. Don't drink and derive!

*Food and beverages may not be transferred from the virtual to the real world.

Need to have an important meeting with several people? Feeling an uncontrollable urge to hold a spontaneous seminar? The Clubhouse provides two fully-equipped seminar rooms that may host up to 25 participants each! And it is a nice place to hang out with your friends and colleagues!

The ICPEAC Summer Resort presents its two beautiful beaches with white sands and warm, yet refreshing, crystal-clear water. Please follow all instructions from our lifeguards. Strong currents may occur close to the two small islands - inexperienced swimmers should avoid this area. We hope you have an unforgettable stay and enjoy breath-taking sunsets while visiting our beach promenade.
